Country Smoke House Update:

We have been diligently looking for a place to grow. We have finally decided that we will stay here and triple the size of this building. We desperately need more work space and retail space to meet the demands of our customers. Once we have finished our new building, our plan is to franchise our business throughout the United States. We have several businessmen in and out of Michigan anxiously waiting for a Country Smoke House franchise. We hope to satisfy the taste buds of thousands of people around the country. Wish us luck!

Thank-you for your support
